WYD Event at the Tauron Arena

As the Director of Operations for the Mercy Center events that took place for WYD at the Tauron Arena in Krakow, Poland, I would like to recommend the services of the catering company Arena Catering - Meta Sp z o.o.

From July 25- July 31, 2016 the Arena Catering provided food for 85 000 pilgrims and volunteers participating in World Youth Day at the TAURON Arena in Kraków.

I am pleased to say that the catering service was performed in a timely manner and with diligence and accuracy. The company has provided a high standard of service in terms of organization and food quality. Of particular note is the full commitment, reliability and flexibility of all Arena Gastro-Meta's staff members.

The company's professional approach helped create a nice setting for this important event. We would not hesitate to recommend the services of Arena Gastro-Meta to any companies and institutions that value integrity and professionalism in the assigned tasks.

Sincerely Yours,
